

## THE DINNER CLUB MENU

Have you read *The Dinner Club and Other Stories*? Aidan and Martin have put together a menu for the members of their Dinner Club. Unfortunately, the letters seem to have become mixed up. Can you put them in the right order to show what the Dinner Club is serving this week?

Then, have a go at writing a menu of your own for next week. You don't have to stick to the same sorts of meals as Aidan and Martin. You could serve shepherd's pie and custard if you wanted to, or have the pudding before the first course. The crazier the better!
