

A Secret Message from the Alien

The Alien in the Garage has been communicating with this website and has left a message scattered across my webpages. Unfortunately, it's in code. Fortunately, I speak fluent alien and I understand the code he's using.

There are five words hidden across the site, which have to be found, decoded and put together in the right order to make up the alien's secret message. The code the Alien is using is:

ALIEN LETTER	HUMAN LETTER
Z	A
A	B
B	C
C	D
D	E
E	F
F	G
G	H
H	I
I	J
J	K
K	L
L	M
M	N
N	O
O	P
P	Q
Q	R

R	S
S	T
T	U
U	V
V	W
W	X
X	Y
Y	Z
Z	A

In other words, whatever letter of the alphabet the alien is using, the letter you need is one letter further on. So A is really B, B is really C and so on. And Z goes back to the beginning of the alphabet and is really A!

So if the alien wrote: GDKKN! it would mean: HELLO!

When put together, the five words will look like this (one line = one letter):

_____/_____/_____/_____/_____

Have fun! And remember. You're talking to outer space.
